MELROSE HIGH SCHOOL

MHS LDG 2007 Volume 82

> MELROSE PUBLIC LIBERRY MELROSE, MA

Dear Ms. Doherty and Mr. Mirasolo.

Entering these halls as freshmen, we were all unsure about what the next four years had in store for us. As we adapted to the chaos of high school, it was your familiar faces among a sea of new ones that helped us settle in. Our class is filled with so many unique individuals, and it has been your devotion that brought us together to accomplish great things. We have left our mark on Melrose High School by revolutionizing slush, winning spirit week TWICE, creating the Black and White Affair, and even hosting the first successful Fuddrucker's Night. Your support throughout these years has helped us create what we feel is a pretty impressive class. Not only have you instilled in us tremendous pride in our school, but you have also taught us to appreciate and respect one another. Even though we were faced with obstacles, we were able to overcome them together. We beat the odds, and, by doing so we have set new standards for senior classes to come. Thank you for all of your support and your endless dedication. Even with your hectic schedules, teaching, attending graduate school and juggling many other responsibilites, you have always been there for us. There isn't anyone else we would rather have had guide us through these past four years. We couldn't have made if without you!

I AMAZING SENIOR CLASS

Object:

To make it through four years of non-stop tests, lectures, and papers in order to reach graduation. Along the way enjoy pep rallies, proms, and sporting events while creating everlasting friendships.

Game Plau:

During the past four years, we have learned the rules of life and become better players of the game. Through every challenge we faced, we always found a way to make it to the next level. Choose your cards wisely, seize every opportunity given to you, and don't ever regret skipping a turn. Whatever way the dice may roll, you owe it to yourself to make the most of it. From start to finish, we are proud of all of our class' accomplishments. We should consider our graduation one of many victories in the game of life. Congratulations Class of 2007, and always remember, NEVER stop playing the game.

Winning the Game:

The player with the diploma wins the game!

We Thank You...

Dr. Daniel Burke

7 1/2 years

Without you Melrose High School would not be the same, and neither would we. You have watched us grow year after year, supporting each club, sport and organization. You have guided us through our high school years with great leadership. From speaking at a school event to cheering on a sports team, your time and support has made us feel as though Melrose High School is not just our school, but our home as well.

The first day of high school you told us these four years would fly by, but none of us realized how quickly this would come. Now, we will walk into the future knowing more than we did before because of you. We would like to thank you for preparing us for the future and giving us the tools we need for success. We wish you the best as you begin the next chapter of your life.

We Will Remember You...

To: Angela

Years ago way back in time.
The day God sweetly gave me to you.
I received a precious gift indeed
That blessed me many years through.

Yet years seem to pass so rapidly For it seems as if only yesterday Your tiny frame, was in my arms Yet see how you've grown today.

As you journey onwards through life I wish only the best for you Your life be filled with joy and peace And countless dreams come true.

Today you may be grown up But in my heart, you will always be My tiny sweet angel That one God gave to me.

The very warmest of Gods blessings To guide your footsteps every day. My love and support to comfort you Each sunrise to sunset, all along life's way.

Love, Mommy

Keep smiling Steve-Your future is bright! Congratulations with love, Mom. Dad. Tim & Mercy
